

Living Waters Academy

Founder's Club

Joanne Holland

Our first donor

Joanne Holland, donated \$1000 before there was a plan or a place for the Living Waters Academy because she believed in her granddaughter Jessica's dream to have a Christian alternative to the public school system right here in Gladstone, Michigan. She planted a seed, blindly giving this money to God and praying that he would use it to create something wonderful. Her donation was held in trust for almost a year before LWA had a name or a bank account where we could deposit her donation and put it to work creating the ministry that we know today.

Joanne is our founding benefactor, but just like her, there were others who believed in LWA before they could see it. These people gave of their time, their effort, and their resources in 2024 and even prior to that when LWA was just an idea.

The doors of the LWA synchronous homeschool ministry opened on September 3, 2024 in a rented space at the Community of Christ Church at 1022 Wisconsin Avenue creating a Christian education alternative in Gladstone, but also blazing a trail for others to follow. The parents and students of LWA will always be grateful for the vision of our founders and their commitment to our children and to preserving our Christian values and our great American heritage.
